

Empowered Mothers
Nurture Healthy Families

SAVE THE DATE!

INSPIRATION doesn't strike every day

but it will on **OCTOBER 9TH**

Most of us go through our daily lives, working, playing, parenting, paying bills... experiencing joy, overcoming sorrow. We want to make a difference in the world, leave a legacy, but are usually too busy or tired or overextended to know how.

However, on one night, you can be part of a special mission: making an HIV-free generation a reality. An extraordinary organization, mothers2mothers, has teamed up with the UN on a Global Plan to eliminate pediatric AIDS by 2015 and keep mothers alive, and you are invited to help make that happen.

Join us for cocktails and gourmet appetizers while enjoying African a capella music group, Shikilizi. Best of all, mothers2mothers is bringing in one of their incredible HIV-positive Mentor Mothers from Uganda for her first US visit. Juliet was the youngest of her husband's three wives when she found out she was both pregnant and HIV-positive. Her journey from poverty, isolation, and heartbreak to the empowered young woman you will meet, will inspire you and change your outlook forever. Together, we can adopt a village in Uganda and make sure that no mother there will ever have to suffer as Juliet did.

To be part of the Event Committee (Angel or Host), please email: Annya Dixon at annya@us.m2m.org

EVENT CO-CHAIRS:

Leslie Brunner, athenahealth & Diane Hessian, Communispace

CHANGE THE WORLD

OCTOBER 9TH, 2014
5PM TO 7PM

athenahealth Headquarters
400 North Beacon Street
Watertown, MA 02472

OUR SPEAKER

NALUMU VIVIEN JULIET

Kamuli, Uganda

EVENT COMMITTEE (currently in formation)
